2009 Winter Edition / January

New Parent Advisory Committee Coming in 2009

As some of you may know, we are pursuing accreditation through the "Paths to Quality" program. Because we believe this process is important, we are planning to create a Parent Advisory Committee (PAC) to set and meet some important goals.

This volunteer committee will be chosen by Kid Angles administrators, and will be designed to provide a forum and exchange of information among parents. In addition, the PAC will reflect the goals and purpose of the School, and assist with fundraising, curriculum enhancement and other programs between staff, administration and families.

In the coming months, please look for the announcement of PAC representatives, and a plan for how this group will enhance your experience at Kid Angles.

Parent Teacher Conferences

We will be holding Parent/Teacher conferences during the last week of January. This is for all parents of all classrooms who did not have conferences in the Fall.

If you had your conference in the Fall, you will not have a conference in January.

Sign up sheets will be available in your child's classroom. We will do our best to accommodate your schedules, and each meeting will take approximately 20 minutes.

Class Transitions

Some children may be transitioning to new classrooms this month based on their birth-dates. Watch for a notice in your child's cubbie if this pertains to you. The next time we will have transitions will be June, 2009.

Weather Closings

Weather conditions must be very bad to cause us to shut down. The reason for a shut down would include road conditions being so hazardous that it would put families and staff in danger, or if power was out. Otherwise, we may delay our opening to ensure our staff arrives safely.

If MCCSC is Closed - Kid Angles will open at 9am.

If Kid Angles should close, we will make every effort to communicate that by 6:30am.

Communication will take place the following ways:

- Message on our new voicemail system (333-5639)
- Alert on the www.kidangles.com website
- Announcements on radio (96.7, 95.1, 103.7, 106.1, 100.7) and TV (RTV6 & WTU-30)

Again - please carefully read your parent handbook, as it explains the procedures in detail.

Calendar

- | | |
|-------------|----------------------------|
| 1/23 | Pick Up With a Pizza Night |
| 1/26 (week) | Parent/Teacher Conferences |

Oh What Fun We Had at our Winter Program!!!

We had reindeer and santas and girls in pretty dresses!

We had singers and boys who avoided any messes!

We had parents who smiled and laughed at this site. And we are grateful we had such a wonderful night!
