2009 Spring Edition / March

## Spring Bulbs Will Have You Feeling In the Pink..and Red..and Yellow..and Green!

We have partnered with the Dutch Mill Bulbs company to offer you a variety of spring bulbs for you to plant! You can choose from perennials or annuals, Strawberries or Stargazer Lilies. Each order is just \$6, and creating a beautiful planter or garden is the perfect project to share with your child. Orders are due by Friday, March 6th.

Please return your completed order form with a check made out to KID ANGLES.

## Pick Up With a Pizza

Make your after-pick-up-rush easier pizza (or salads, or chicken wings, or breadsticks) to take home with you when you pick up your child! The third Friday of each month is Pick up With a Pizza night. Look for the green order forms near your child's sign in sheet, and place your order by 10am. Leave a check (or cash) for the total amount, and make checks out to Kid Angles. We'll have your dinner waiting for you at the end of the day when you pick up your child! It's that easy!

**Next Pizza Day: March 20th**

## If You Build It. They Will Grow.

We need parents to help build new vegetable garden beds! Saturday, March 14 at 10am Come dressed for dirt!

Have materials to donate? We'll gladly accept!  
2'x6' pieces of wood / Garden tools / Seeds / Dirt /  
Angle Brackets and Hardware / Rabbit Fencing!

## Kid Angles Connections Feature Business of the Month

Twenty-First Century Scholars Program is a statewide, not-for-profit organization that provides college tuition scholarships to low-income students and their families. Children must enroll as Scholars when they are in 6th, 7th, or 8th grade, and pledge good citizenship in order to earn four years of college tuition at an Indiana college or university. [www.scholars.in.gov](http://www.scholars.in.gov). For more information, contact Jennifer A. Poe at (812) 856-1580.

## What are Your Plans For Spring Break?

Spring Break will be March 16-22. Kid Angles will be open during this time. Will you be here? Will you be on vacation? Please write a note and put it in the payment box in your child's room to let us know of your plans. This helps us staff accordingly.

We will have limited space for school-age kids, so if you intend to bring them - please let us know as well. Thank you.

## Calendar

3/6	Spring Bulb Orders Due
3/14	Garden Bed Building Day (10am)
3/17	St. Patrick's Day
3/20	Pick Up With a Pizza Night

## Monkey House

We are waiting for the arrival of Johanna's little boy sometime this month, and Johanna will then be on leave for a while once he is here - we're very excited for her and her family! Ambrilynn and Megan will be sharing time over in the baby house until Johanna returns from leave. We said goodbye to some of our bigger kids, as they transitioned over to the Butterfly House, but we will be welcoming some new babies this month, so we're excited for some new families to join us.

-- Tonya, Johanna, and Mary

## Butterfly House

February was a great month! We welcomed Madeline, Hudson and Riley to our class, and they fit right in with the group. Our theme for the month was blocks, and we made block mobiles, block towers and Valentines crafts. We have been taking a lot of time recently to work on our shapes, colors, ABCs and counting. They are all growing every day. March is going to be an exciting month, as we learn about food and our five senses. We plan to make our own play dough, and make gelatin to put in our sensory table.

With the weather getting warmer, we will be going outside more, so please remember to bring extra clothes and shoes because we will be getting dirty. Feel free to come check out our class any time.

-- Lindsey and Jessica

## Hoppers & Crickets

Hello from the Hoppers! This month, our themes were Hearts and Hugs, Opposites Attract and Inside My Mouth, when we learned about healthy smiles and snacks. We've been learning new songs, reading new stories and even learning Chinese and Spanish words. Next month, our themes will be Lions, Lambs, Shamrocks and Rainbows, and Bunny Parade. We had fun learning about Chinese New Year and Presidents' Day. Our Hoppers are learning so much and having fun singing, dancing and playing -- Morgan and Rose

We had a great February with an excellent Valentine's Day and birthday celebrations. The Crickets had lots of fun learning about teeth, mail and bears. In March, we're looking forward to Dr. Seuss' birthday, St. Patrick's Day and learning about the circus and healthy eating. We'll also be welcoming a new Cricket to the class! Watch for updated on our white board in the classroom for updates. -- Toni

## Fireflies and Busy Bees

Fireflies had a great month, talking about new things and enjoying our Valentine's party (thanks to all parents who contributed goodies!). Along with the Busy Bees, we are going to have new themes in March, and please take note of these following days:

**March 4th -- WACKY WEDNESDAY** on, when we'll wear crazy clothes (wear them backwards or inside-out, have crazy hair and just be silly for the day.

**March 5th -- PAJAMA DAY (Thursday)** -- also a day to celebrate everyone's birthdays.

**March 17th -- ST PATRICKS DAY (Tuesday)** -- Wear green!!!

The Busy Bees are finishing up February studying teddy bears! next month, we look forward to learning about themes for March which are Dr. Seuss, Circus Days and "You Are What You Eat". Our focus will be on the letters "S", "T", and "U", the square shape and the color, green. We also plan to celebrate St. Patrick's Day - watch for details!

-- Jocelyn
